LANGUAGES

English

My curren stack: REACT, REDUX, JS, HTML, CSS.

Also used: GULP, Git, SCSS, Bootstrap.

Currently i'm studying react/redux with the guidance of an experienced mentor. There are examples of my works in portfolio. I am interested in algorithmic and logical tasks.

I am experienced in teamwork and have good communicative skills. I have worked as a civil engineer for 6 years constructing bridges and petrol stations. On my previous work place did my own projects for two years, which were finished successfully and in time.

My level of English is upper Intermediate(B2) and i'm improving it with tutor.

I am ready to solve new, difficult and interesting tasks. I am ready to be a part of big or small friendly work team to get experience and knowledge and share them.
